What are cookies?

This Cookie Policy explains what cookies are, how we use them, the types of cookies we use (i.e., the information we collect using cookies and how that information is used), and how to manage your cookie settings.

Cookies are small text files used to store small pieces of information. They are stored on your device when a website loads in your browser. These cookies help ensure that the website functions properly, enhance security, provide a better user experience, and analyse performance to identify what works and where improvements are needed.

How do we use cookies?

Like most online services, our website uses both first-party and third-party cookies for various purposes. First-party cookies are primarily necessary for the website to function properly and do not collect any personally identifiable data.

The third-party cookies used on our website primarily help us understand how the website performs, track how you interact with it, keep our services secure, deliver relevant advertisements, and enhance your overall user experience while improving the speed of your future interactions with our website.

Types of cookies we use

Necessary

Necessary cookies are required to enable the basic features of this site, such as providing secure log-in or adjusting your consent preferences. These cookies do not store any personally identifiable data.

Cookie	Duration	Description
rc::a	Never Expires	This cookie is set by the Google recaptcha service to identify bots to protect the website against malicious spam attacks.
rc::c	session	This cookie is set by the Google recaptcha service to identify bots to protect the website against malicious spam attacks.

Cookie	Duration	Description
_tccl_visitor	1 year	Godaddy sets this cookie to collect aggregated, anonymized data to improve the site's performance.
_tccl_visit	1 hour	Godaddy sets this cookie to collect aggregated, anonymized data to improve the site's performance.

Analytics

Analytical cookies are used to understand how visitors interact with the website. These cookies help provide information on metrics such as the number of visitors, bounce rate, traffic source, etc.

Performance

Performance cookies are used to understand and analyse the key performance indexes of the website which helps in delivering a better user experience for the visitors.

Cookie	Duration	Description
dps_site_id	session	This is a session cookie used for optimizing the speed and performance of the website.

Uncategorised

Other uncategorised cookies are those that are being analysed and have not been classified into a category as yet.

Cookie	Duration	Description
_scc_session	20 minutes	Description is currently not available.

Manage cookie preferences

Consent Preferences

You can modify your cookie settings anytime by clicking the 'Consent Preferences' button above. This will allow you to revisit the cookie consent banner and update your preferences or withdraw your consent immediately.

Additionally, different browsers offer various methods to block and delete cookies used by websites. You can adjust your browser settings to block or delete cookies. Below are links to support documents on how to manage and delete cookies in major web browsers.
